Product Overview

Aqua Vista 3 in 1 by Ocean 53 Paints is a premium water-based emulsion designed for both interior and exterior applications. Engineered with high-quality acrylic binders, this versatile paint offers a superior matte or eggshell finish, providing excellent coverage, durability, and a flawless aesthetic. Ideal for wood and concrete surfaces, it ensures long-lasting beauty and protection for your walls.

Application & Performance

For best results, surfaces must be clean, dry, and free from dust, grease, and loose particles. Application is recommended using a brush or roller, ensuring a smooth, even coat.

Packaging & Storage

Available in 1L, 4L, and 20L packaging with a 24-month shelf life when stored in proper conditions.

Warranty

Aqua Vista 3 in 1 comes with a 10 year warranty for new surfaces and 5 years for repainting, guaranteeing long-term performance and reliability.
